**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was absolutely sick and tired of monopolies being my only choice in the area. That is UNTIL I learned of Sonic! I have been thrilled with Sonic's personalized service. Sonic has FLAT FEES so I don't get yanked around with fluctuating pricing from month to month as I'd previously experienced.

I have a home-based business offering health solutions where reliable broadband, fax services are essential to doing business.

Along with millions of customers who have found competitive prices AND awesome service, I demand that this not be stripped from the consumers due to pressure from industry brutes.

Do not fail the people!
